

GRANT REQUEST FORM (For Amounts of \$2,500 or Below)

Thank you for your interest in the Mount Horeb Summer Frolic grants program. Our board must be selective in choosing requests that fall within our guidelines and have the most potential to benefit the community. In order to be effective and to accommodate applicants, please read through the guidelines and fill out the form completely.

Due to the overwhelming number of requests received, the Summer Frolic is unable to accommodate every request. If you do not receive a grant the first time around and your project meets our guidelines, you are welcome to apply again the following year.

If you have questions about submitting a grant request, please email info@mthorebsummerfrolic.com.

Timeline

Please submit your grant request **no later than September 30** for issuance at the end of the year.

The Summer Frolic Board of Directors will begin reviewing requests in October and make its decisions on which projects to fund by November 30. Your organization's representative will be notified of the grant request status once a decision is made.
